3. That Amended Appendix "A" attached hereto and made a part hereof should be substituted for Appendix "A" which was attached to the Order entered September 12, 1979 in this matter.
4. That all other provisions of the Commission's Order of September 12, 1979, in this matter, not in conflict with the provisions of this Amended Order should remain in full force and effect.

IT IS THEREFORE ORDERED that the rates and charges proposed by the District's original application in this matter as set forth in Amended Appendix "A", attached hereto be and they are hereby fixed as the fair, just, and reasonable rates and charges of the Hendron Water District to become effective for services rendered on and after the date of this Order.

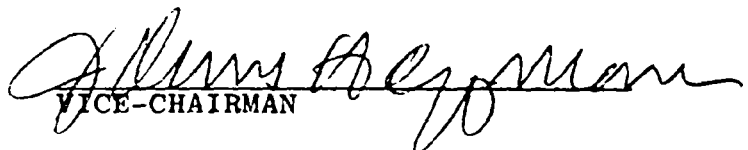

IT IS FURTHER ORDERED that all other provisions of the Commission's Order of September 12, 1979 in this matter, not in conflict with the provisions of the Amended Order, shall remain in full force and effect.

IT IS FURTHER ORDERED that the Hendron Water District shall, within thirty (30) days of the date of this Order, file its revised tariff sheets with this Commission. Said tariff sheets shall set forth the rates herein approved. Further, the District's Rules and Regulations for providing water services to its customers shall be filed with the said tariff sheets.
